ITINERARY

Day 1 - Osaka, Japan

Japan's third-biggest city has thrown off its shackles and stepped out of the shadows to light up the sky with glaring neon signs and a larger-than-life outlook. Giant octopuses cling to buildings and bustling restaurants pack in the crowds in this great and garish place, which is Japan at its most friendly, extroverted, and flavorful. So dive in headfirst to experience an

all-out sensory assault of delicious food, shopping cathedrals, and glittering temples. Dotombori Bridge bathes in the multicolored, jewel-like lights of signage-plastered buildings, and the neon lights dance on the canal's waters below. Osaka is known as the nation's kitchen, and the Kuromon Ichiba Market has served as the city's spot to tuck in for almost 200 years. Full of street food stalls - try pufferfish, savory Okonomiyaki pancakes, or ginger and onion-flavoured octopus, among the endless feast of exotic flavors. Osaka Castle is another of the city's landmarks, built in the 16th century by Toyotomi Hideyoshi. A modern museum now waits inside, where you can learn about the country's history, and why this castle is a symbol of Japanese unity. Be sure to take the elevator up to the observation deck for a panoramic view of Osaka's spread. A colorful park encloses the castle and blooms with an ocean of pale pink cherry blossoms during the season - the elegant black tiers rising from the pink haze below is one of Osaka's most alluring visions. Kyoto's peaceful cultural treasures and temples are also just a short jaunt away on Japan's sleek trains, should you wish to explore further afield.

Day 2 - Kochi, Japan

Kochi Castle, with its elegant black and white tiered roofs, is one of only twelve of the original castles remaining in Japan. Step inside to explore authentic feudal architecture and admire sweeping views over the city and mountains. The surrounding landscape is dotted with temples and forested hillsides, where the historic Shikoku Pilgrimage route winds. Beyond the castle, the Makino Botanical Garden guides visitors through pathways and greenhouses of diverse flora. The Shimanto River -- Shikoku's longest -- draws outdoor enthusiasts with peaceful hiking trails and a serene backdrop for reflection. Facing the vast Pacific on Shikoku's southern coast, Kochi is celebrated for its katsuo no tataki -- lightly seared skipjack tuna -- and thriving sake-brewing tradition.

Known as the Pearl of the Orient, Manila is the Philippines's sprawling capital city and a chaotic scramble of intoxicating urban energy. A megacity of culture and creativity, there's a lot to discover amid these chockablock streets. The delicious food wins many fans, but it is the friendly Filipinos - always eager to help - who ensure that Manila takes a special place in the hearts of many visitors. The Baywalk is one of the city's best places for catching a legendarily intense sunset - or wandering

among joggers and leisurely strollers. The city's Intramuros area is its cobbled historic core - and was the center of power when the Spanish ruled these lands. Decorated with colonial architecture and citadels, the district is known for its rumbling horsedrawn carriages and storied history. Head to Fort Santiago, which aims canons out across the water from its chunky stone walls. The UNESCO World Heritage Site stands against the odds, despite World War II bombardments, fires, and earthquakes - a true testament to Manila's incredible resilience. As one of the most densely populated places in the world, Manilla can be manically busy at times, but you can always escape to Rizal Park. With Chinese and Japanese gardens and plenty of room for open-air events, it's a beautiful oasis within the city. It's also an incredibly important national symbol, as the location where the hero of independence, Jose Rizal, was executed.
