

ARCTIC EDGES: ICELAND WESTFJORDS TO EAST GREENLAND CRUISE

Sail into pristine corners of Iceland's Westfjords region and Eastern Greenland, remote areas famed for their fascinating natural features and charismatic wildlife. On this 8-day adventure, actively explore these dynamic shores in a multitude of immersive ways, from hiking past cascading waterfalls to Zodiac cruising through rugged fjords or rafting on a glacial river. Search for whales and seals, walk among prolific sea bird colonies and experience enduring traditions on visits to tiny fishing villages steeped in history.

ITINERARY

Day 1 Reykjavik, Iceland / Embark Ship

Arrive in Reykjavik, the world's northernmost capital, which lies just below the Arctic Circle. Transfer from the airport to the city and spend the day exploring at your own pace. Check in with the hospitality desk this afternoon before embarking the ship.

Meals Included: Dinner

Day 2 Djúpavík

Enjoy a leisurely morning at sea learning about Iceland and its

incredible biodiversity. Join your expedition staff on the bow of the ship as you keep watch for the close to 20 different whale species that call the Westfjords home.

Spend the afternoon on the remote eastern side of the Westfjords, an area difficult to access but boasting spectacular beauty and rich history. The tiny town of Djupavik held its place on the map because of the golden age of herring. During its heyday in the 1930s, its herring plant was the largest concrete structure in Iceland. The plant closed in 1954 but remains as a small museum and a memory of the rich productivity of the herring industry in Iceland. Visit the museum and learn about the significance of this resource to all of Iceland in the 20th century as well as choose from active options in the surrounding mountainsides.

Meals Included: Breakfast, Lunch, Dinner

[Day 3 Skagafjörður](#)

Skagafjörður is the gateway to north Iceland, known for its glacial rivers, Icelandic horses and saga history. Take a float trip on the Jokulsa River or visit a historic rural turf farm to understand rural life in Iceland, including the iconic Icelandic horses. Finally, learn about Grettir the Strong, and the saga named after him, by exploring Drangey Island and spotting the multitudes of birds that call the island home like kittiwakes, shearwaters and possibly even ravens and gyrfalcons.

Meals Included: Breakfast, Lunch, Dinner

[Days 4-5 East Coast of Greenland](#)

Strike out across the Denmark Strait to the wild shores of Eastern Greenland. Known for its volume of calving tidewater glaciers stretching back to the ice sheet, this region offers incredible opportunities to explore multiple fjords aboard ship as well as on landings, where hiking, kayaking or Zodiac cruising might all be possible. While you navigate these waters as a modern-day explorer, spend time on the Bridge or at the ship's railing, scouring the landscape and waterline for the unique wildlife that call this region home. Look out for humpbacks, beluga whales and seals as well as the elusive narwhal and polar bear.

Meals Included: Breakfast, Lunch, Dinner

[Days 6-7 Westfjords of Iceland](#)

Explore the beautiful and peaceful Westfjords region of Iceland. Enter Ísafjarðardjup and land at Vigur Island to visit an eider farm where you'll learn about the traditional eiderdown collection and cleaning process as well as their prolific bird colonies. Walk over the boardwalks amongst their puffin colony, a shared project between Lindblad Expeditions and the island owners to develop a safer environment for the puffins along with a better infrastructure for local scientists to study the birds. As the ship transits back through the fjord, make your way out to the railings to spot some of the whales that call this region home. The next day explore yet another stunning, remote fjord with expedition activities, including hiking along fjord trails to a dramatic waterfall cascading down from the high plateaus above.

Meals Included: Breakfast, Lunch, Dinner
