ITINERARY

Day 1 DUBROVNIK

Check-in from 14:00h, cabins ready from 16:00h. Either explore the town on your own or join the guided tour starting at 17.00h followed by an optional cable car ride up to the Sr mountain for spectacular views of the old town. Don't miss STRADUN - both a street and a square in the old town and try to find time to walk at least part of the 1940 m long city walls, which have protected Dubrovnik during earthquakes and attacks! Overnight in the port of this magical town.

Day 2 DUBROVNIK - ŠIPAN / TRSTENIK

Morning departure towards the island of Šipan or the small town of Trstenik on the Pelješac Peninsula. Gorgeous spots for an afternoon swim and time at leisure with the possibility of visiting a local winery. In the evening, enjoy the special Captain's dinner

on board (included on Premium Superior and Premium).

Included: Breakfast & Lunch

Day 3 ŠIPAN OR TRSTENIK - KOR ULA

Korcula is the birthplace of the famous explorer Marco Polo. We will have lunch on board in a bay near Korula town. The encircling walls and bastions of Korula town date back to the 13th century, and there are some lovely churches and museums. Join the optional sightseeing of Korula town or optional wine and local appetiser tasting at a local winery before dining in one of the numerous seafront restaurants or konobas. Overnight in the port of Korula town.

Included: Breakfast & Lunch

Day 4 KOR ULA - HVAR

Early departure towards the Paklinski Islands near Hvar (the longest island in the Adriatic) for lunch and a swimming stop. Later, there's an optional afternoon sightseeing of Hvar Town, which resembles a film set. The Renaissance cathedral has its original tower and the oldest community theatre in Europe, founded in 1612.

Take a short but steep walk up to the castle that dominates the skyline of Hvar. The castle houses a small museum and a cafe and bar, a great spot for a sundowner.

Hvar is known as a jet-set island, offering abundant entertainment, excellent restaurants, bars and cafes serving drinks long into the night. Overnight in Hvar.

Included: Breakfast & Lunch

Day 5 HVAR - BOL, SPLIT

The next stop is the island of Bra. Bol is a typical fishermen's village that has kept its atmosphere despite becoming a popular tourist spot. From Bol, you can visit the most famous (and most photographed) beach in Dalmatia, Zlatni Rat (Golden Horn) - renowned for its ever-changing shape, a shingle bar that moves according to the wind and waves. Enjoy a walk through the pine forest from Bol to the Golden Horn beach.

The approach to the Split Riviera is wonderful and offers the best views from onboard. Upon early afternoon arrival, join the optional guided tour of Split, a monumental city which, together with the famous Roman Diocletian's Palace, is under UNESCO protection. Split is full of bistros and restaurants serving local specialties, as well as cool bars.

Included: Breakfast & Lunch

Day 6 SPLIT

An early breakfast before final goodbyes to new friends and the crew.
