OUTERKNOWN ADVENTURES ON THE GREAT BARRIER REEF

Covering an area of over 2,300 km and encompassing over 900 islands, the Great Barrier Reef is the worlds largest living structure and home to an abundant and thriving array of marine and birdlife species. It holds pride of place as one of the 7 natural worlds wonders of the world and is listed as a UNESCO World Heritage area. We pioneered extended expedition cruises on the outer reaches of the Great Barrier Reef over 35 years ago and have forged a reputation for excellence and expertise in that time. Aboard our expedition vessel Coral Discoverer, join us as we embark on an immersive 7-day adventure to the remote and untouched Northern reefs. We take a maximum of 72 guests to explore the hidden corners, uninhabited sand cays, small islands and pristine reef systems. Along the way find freedom and solitude amidst this iconic seascape. Share the journey with soaring seabirds and swim, dive and snorkel at far-flung Osprey and Ribbon Reefs. Learn about ancient indigenous culture and Australian heritage at historic Cooktown. Stretch your legs with a hike to the summit of "Cooks Look". Enjoy a sundowner with the sand beneath your toes and the setting sun at deserted Sudbury Cay. Onboard, you will be accompanied by expert guides including a Marine Biologist, and our purpose designed small ships are custom built for expedition cruising. With refined steering capabilities, shallow draught and nimble explorer tenders we will bring you closer to remote sites and natural habitats. You will enjoy freshly prepared small-batch cuisine featuring the best local ingredients and relax and enjoy quality local beers and wines. With an intimate atmosphere and our renowned warm Australian hospitality, you will quickly feel at home and make new connections with

new friends.

ITINERARY

DAY 1: DEPART CAIRNS

Board Coral Discoverer at 4:00pm where there is time to settle into your stateroom before our 5:00pm departure. Take the time to become acquainted with all the facilities onboard before joining your fellow explorers on the Sun Deck for Captains Welcome Drinks at Double Island, overlooking the lights of Palm Cove.

DAY 2: FITZROY ISLAND & SUDBURY CAY

At Fitzroy Island enjoy a walk through the Secret Garden rainforest or for the more adventurous, a walk to the de-commissioned lighthouse rewards hikers with panoramic views of Coral Sea, islands and mainland mountain ranges. Snorkel over the fringing reef, relax on the beach and there may be an opportunity to lend a hand to the volunteers at the Cairns Turtle Rehabilitation Centre, where sick and injured turtles are cared for before being returned to the wild. Late in the

afternoon, we arrive at Sudbury Cay, a tiny sand cay that barely rises above the Coral Sea. Far removed from the bustle of civilisation, we slip off our shoes and feel the sand between our toes as the tropical waters of the Coral Sea lap gently against the shoreline. Surrounded by glistening sea and bathed in the glow of twilight, we enjoy sundowner drinks and the company of like-minded explorers as we relax and watch the sun gently sink below the horizon, enjoying the Captain's Farewell Drinks at sunset on our own private sand island.

DAY 3: MACKAY REEF & CAY

Relax on picturesque Mackay Cay and enjoy snorkelling the pristine reef that surrounds it. Mackay Reef is a mid-shelf platform reef, with vibrant hard and soft corals abound. The northern side enjoys additional protection from the cay, making it the perfect playground for turtles. A giant clam garden also resides in the area, with some clams growing as big as 1.2m, all with their own unique colours and patterns. On a clear day, from the cay you can look back at the mainland to see tall mountains covered in UNESCO world heritage Daintree rainforest. You can see Cape Tribulation and Mount Sorrow as named by Captain Cook during his eventful sail through the Great Barrier Reef. The Kuku Yalangi tribe are the traditional owners of this region and have lived in harmony with the environment for over 50,000 years. Dream time stories explain the unique shape of Mount Peter Bot.

DAY 4: COOKTOWN

Come ashore in historic Cooktown and learn the history of the Guugu Yimithirr, the first people of this ancient country. Discover recent European history with a visit to the site where Lt. James Cook beached HMB Endeavour to effect repairs in 1770. Wander through the rare flora collection at the Botanic Gardens

and visit James Cook Museum, where the story of Cook's landing is told from an Aboriginal perspective and where artefacts are on display. Later, we cruise towards Lizard Island, arriving in time for sunset.

DAY 5: LIZARD ISLAND

We spend a whole day at Lizard Island where there is time to hike to the summit of Cook's Look and enjoy the same view Lt. James Cook did when searching for safe passage through the maze of coral reefs. Snorkel over giant clam gardens from the beach at Watson's Bay, relax on the white-sand beach beneath shady she oak trees and learn about the tragic story surrounding Mary Watson. There may be an opportunity to visit Lizard Island Research Station, operated by the Australian Museum to facilitate coral reef research and education on the Great Barrier Reef.

DAY 6: OSPREY REEF

One of the world's best dive sites, Osprey Reef is a submerged atoll in the Coral Sea. The top of a mountain which rises from the seafloor, surrounded by a vast ocean, it draws many beautiful and rare marine creatures to its plummeting walls. Osprey Reef is a highly prized tropical dive location amongst scuba divers, called an 'oasis for living creatures of all kinds' by Sir David Attenborough. The vibrant corals and crystal-clear waters make it an unforgettable place to discover. Here we will spend time in the water exploring the 30m deep lagoon and drift diving the walls, where you may see large pelagic fish, rays, and sharks drawn in from the surrounding deep blue to enjoy the richness of this ocean oasis. Osprey Reef is a true expedition-style destination and our visit is subject to appropriate weather conditions.

DAY 7: RIBBON REEF #9 & #10

The Ribbon Reefs are a narrow line of outer coral reefs on the edge of the continental shelf and are renowned for their prolific marine life and extensive coral species. Enjoy the rare opportunity to snorkel and dive on the Ribbon Reefs which sit on the edge of the continental shelf. Due to their location far offshore from the Australian coast, the Ribbon Reefs offer excellent diving and snorkelling opportunities, with Ribbon Reef #9 a favourite for its wide variety of marine life and pinnacles cloaked in coral. Join a guided snorkel tour led by our expert Expedition Team and witness this extraordinary ecosystem up close. These northern reefs are renowned for spotting iconic marine species such as potato cod, wrasse, sharks and turtles.

DAY 8: ARRIVE CAIRNS

Our Great Barrier Reef adventure concludes in Cairns this morning as we bid farewell to new-found friends, the Master and crew, disembarking at 8:00am.

Please Note:

Tours of the Lizard Island Research Station are subject to availability and cannot be guaranteed due to operational considerations. This itinerary is an indication of the destinations we visit and activities on offer. Throughout the expedition, we may make changes to the itinerary as necessary to maximise your expeditionary experience. Allowances may be made for seasonal variations, weather, tidal conditions and any other event that may affect the operation of the vessel.

YOUR SHIP: CORAL DISCOVERER

YOUR SHIP: Coral Discoverer

VESSEL TYPE:

LENGTH:

PASSENGER CAPACITY:

BUILT/REFURBISHED:

Yacht-like Coral Discoverer set a new benchmark standard of sophistication in expedition cruising when she was constructed by us in 2005. Coral Discoverer sailed on pioneering expeditions through Papua New Guinea, the islands of the South Pacific, Vanuatu, New Zealand, West Papua, and the Spice Islands. She led explorations into remote areas, focusing on destinations that were largely inaccessible to larger cruise ships. Coral Discoverer is exceptionally nimble and maneuverable, with a shallow draught to get up close to destinations, ocean views from all public spaces, an expansive open-air sun deck, all outside-facing staterooms, and state-of-the-art tools for exploration including the Xplorer, zodiacs, a glass-bottom boat, and kayaks. A full refurbishment in 2018 saw the addition of private balconies, the much-loved Xplorer sundeck bar, and all new furnishings throughout the ship. Comfortable, reliable, and intimately scaled, Coral Discoverer now conducts expeditions across Australia's coast - Tasmania, Cape York and Arnhem Land and the Kimberley. Australian flagged and staffed by an Australian and New Zealand crew, your experience aboard Coral Discoverer will be memorable. Onboard Accommodation Onboard accommodation comprises 36 spacious modern

staterooms. You can select from Bridge, Promenade or Main Deck staterooms offering a choice of twin through to junior king-size doubles. All staterooms have an ocean view, en-suite facilities, settee, large wardrobe, desk, luggage storage, individual air-conditioning control, and are serviced daily. Onboard Facilities What you would expect of a much larger cruise ship: Large sundeck Spa Pool Guest computer Comprehensive reference library Phone and fax facilities Lecture lounge with large plasma screen Limited laundry facilities Two fully stocked cocktail bars Boutique and dive shop Air-conditioned public areas Coral Discoverer is equipped with the latest technology active stabilizers and is fitted with state-of-the-art safety and navigational equipment and is the only Australian passenger ship registered with full SOLAS compliance allowing opportunities to explore a multitude of international voyages. Dining All meals during the cruise are included. Breakfast and lunch are served in the Dining Room located on the Main Deck and are buffet-style while dinner is table d'hote. Coffee and tea is available 24 hours. Standard hours are breakfast from 7:00-8:30am, lunch at 12:30pm and dinner at 7:30pm however meal times may vary according to the day's activities. Meal times will be advised in the onboard daily bulletins. Excursion Boats And Zodiacs The "Xplorer" is a specially designed aluminium excursion vessel used for the majority of our excursions. This vessel has high horsepower engines and will accommodate all passengers at one time. The "Xplorer" will be used for landings and for extensive exploration of rivers and tributaries. For your added convenience and comfort, the "Xplorer" is equipped with an awning and toilet. We

also carry two inflatable landing craft (Zodiacs). Designed for expedition work, these large and heavy-duty inflatables are extremely safe. Separate air compartments retain a large reserve of buoyancy even if the boats damaged. The flat bottom design permits these crafts to land directly onto the beaches. Expect nonetheless to wade through shallow water to reach the shore. See photo
