

TANZANIA AND THE CORALLINE SEYCHELLES

Embark on a breathtaking voyage across the turquoise waters of the Indian Ocean, where every wave carries you closer to paradise. This exclusive cruise sails from the serene island of Maye in the Seychelles, a hidden gem known for its pristine beaches and coral-rich lagoons, to the vibrant shores of Zanzibar, Tanzania's cultural jewel.

ITINERARY

Day 1 - Azam Marine (Zanzibar)

Embark on the voyage of a lifetime from Zanzibar. Settle into your luxurious design suite on board Aqua Lares and meet your Cruise Director and Naturalist Guides. Enroute to our first destination, enjoy panoramic views from the sundeck and indulge in your first taste of the signature Aqua dining experience.

Day 2 - Pemba Island

Known to be one of Africa's best scuba diving destinations, Pemba Island is a treasure trove of both nature and culture. It features remnants of great sultanates, now overrun by lush green hills and clove plantations.

Day 3 - Kilwa Kisiwani

Once a significant trading port, Kilwa Kisiwani boasts centuries-old Arabian influence. This island is home to ancient ruins including a Great Mosque from the 12th century and the Palace of Husuni Kubwa, constructed in the early 1300s. Along its shores, the island also features rich mangrove forests and stunning biodiversity.

Day 4 - At Sea

As we spend the day sailing towards Seychelles, treat yourself to some R&R; at the onboard spa or jacuzzi. For the avid birdwatchers, being out at sea presents the opportunity to spot red-footed boobies soaring overhead in their hunt for flying fish. If you wish, sit in for presentations by our expert naturalist guides to learn more about the regional geology, flora, and fauna. Savor world-class dining throughout the day and end the evening with stargazing from the sundeck.

Day 5 - Assumption & Aldabra Atoll

Wake up to views of Assumption Island at Aldabra, a coral atoll known to harbor one of the world's most isolated ecosystems. Aldabra is home to the largest population of giant tortoises on the planet, with more than 100,000 of these incredible creatures roaming the atoll's four islands. The surrounding waters are home to a thriving population of tropical fish, sharks, and sea turtles, coupled with occasional manta ray sightings as well.

Day 6 - Aldabra Atoll

We continue our exploration of Aldabra with guided walks along the coast accompanied by coconut crabs and frigatebirds. On board private tenders, explore Aldabra's lagoon and rich mangrove forests made up largely of endemic flora. The coral atoll also offers incredible snorkeling and scuba diving opportunities, characterized by an abundance of marine life all year round.

Day 7 - Astove Island

Astove is known to be one of the best snorkeling and diving spots in the Indian Ocean courtesy of the Astove Wall. Often described as the underwater Grand Canyon, this four-mile-long wall is covered in soft corals and frequented by marine life

including rays, sharks, and reef fish. It features plunging depths and incredible visibility that can extend up to 40 meters. Astove is a bucket-list item for every avid underwater explorer.

Day 8 - Farquhar Island

Start the day exploring Farquhar Atoll with its vibrant azure waters, rich marine life, and abundance of seabirds including red-footed boobies. Snorkelers and divers get a chance to be among the few to explore undiscovered coral reefs around these islands. This is also a great spot for flyfishing and kayaking for those who wish to partake.

Day 9 - Saint-Francois Atoll & Ile Alphonse

In the morning, we sail to Saint-Francois Atoll for the opportunity to spot juvenile sharks, crabs, and crab plovers in the mangroves. This atoll also presents snorkeling opportunities to see huge coral formations in the lagoons and surrounding barrier reef. In the afternoon, we head out on tenders for a scenic ride to Alphonse Island. While there, explore a lush coconut forest and enjoy snorkeling along the shore to discover stunning hard coral formations teeming with marine life.

Day 10 - Remire

We head to Remire Island to observe sea and land birds around the coastal vegetation, while keeping an eye out for giant tortoises. Remire also presents an ideal scuba diving opportunity for those interested in a closer look at the region's marine life. We cap off the day with a sundowner on the island's pristine white-sand shores.

Day 11 - L'Escale Marina (Mahe)

Enjoy a hearty breakfast on board before bidding farewell to Aqua Lares and the crew.
