TROGIR TO DUBROVNIK LUXURY CRUISE

Interspersed with the stops in the beautiful ports and towns we moor overnight in, we will have a swim stop every day in a secluded bay, and the chance to eat ashore in the evenings at one of the many fine restaurants and cafes that line these historic ports. We only cruise for 4-5 hours a day, just time to enjoy a coffee and a few pages of a book if you can peel your eyes away from the scenery.

ITINERARY

DAY 1 / SUNDAY: TROGIR

Embarkation begins at 14:00h Get settled in your cabin before attending a Welcome Reception followed by dinner this evening. Overnight in Trogir. (D)

DAY 2 / MONDAY: TROGIR – SPLIT

This morning, you will have the opportunity to stroll through the streets of Trogir in the company of our guide, whose rich history, influenced by many people (Greeks, Romans, Venetians), is visible at every step along its beautiful, narrow, cobbled streets. You will admire the architecture of Trogir's most imposing monument, the Cathedral of St Lawrence, built in Romanesque-Gothic style. Around noon, we set sail towards our first stop, the city of Split, another UNESCO World Heritage site. While sailing towards Split, your lunch will be served. We will

also make a swim stop along the way, and we'll arrive in Split in the afternoon. You will join our guide for a walking tour of Split. Split is the second-largest Croatian town, best known for its glorious palace of Roman Emperor Diocletian, which has been inscribed on the UNESCO World Heritage List since 1979. After the city tour, you will have free time to explore Split at your own pace or have dinner in one of the numerous restaurants. Overnight in Split. (B, L)

DAY 3 / TUESDAY: SPLIT – HVAR

In the morning, we leave Split and head to our next stop, the town of Hvar on the island of Hvar. Swim stop along the way and lunch on board. Upon arrival in Hvar, join our guided city tour to learn about its rich history, beautiful architecture, and significant landmarks, including the Cathedral of St Stephen, the Theatre—one of the oldest in Europe, dating back to 1612—and the Spanish Fortress. Later in the evening, you can explore the town on your own and check what its nightlife has to offer. Overnight in Hvar. (B, L)

DAY 4 / WEDNESDAY: HVAR – BIŠEVO BLUE CAVE – VIS or KOMIŽA

In the morning, we set sail again, this time towards the island of Biševo and its famous Blue Cave. This mesmerizing natural attraction is breathtaking, with its game of sunlight that creates an excellent reflection on its white floor and bathes the cave in aquamarine light. Blue Cave can only be approached by boat, and sometimes, due to winds, waves, and currents, access to the cave is not possible. We can only know about the sea conditions and the possibility of entering on the same morning of the visit. If we are lucky enough to see the Blue Cave, we will arrive in Vis after lunch. Vis is a small town on the eponymous island, well known for its strategic importance throughout the years. You will have free time to explore Vis at your own pace

and visit one of the many fortresses, such as the Fortress of Saint George. Being closed during the time of the former Yugoslavia, the wonderful island remains an unspoiled oasis. Depending on the capacity of the Vis port and the possibility of docking, the visit to the town of Vis can be replaced by docking in Komiža, a beautiful, quaint fishing village. Overnight in Vis or Komiža. (B, L)

DAY 5 / THURSDAY: VIS or KOMIŽA – KOR ULA

Morning departure towards the island of Korula, with plenty of time for swimming along the sail before lunch. The City of Korula is one of the best-preserved medieval cities in the Mediterranean, and is thought to be the birthplace of the famous explorer Marco Polo. After arriving in Korula in the afternoon, you will join our guide for a walking tour of Korula. After the walking tour, enjoy your free evening sampling homemade food at one of the many restaurants. Overnight in Korula. (B, L)

DAY 6 / FRIDAY: KOR ULA – NATIONAL PARK MLJET – ŠIPAN ISLAND OR SLANO

We leave Korula in the morning and cruise towards the island of Mljet. Our arrival in Pomena is expected around 10:00. Upon arrival, you will visit the National Park, well known for its versatile ecosystem and two salt lakes ("Veliko jezero"- Big Lake and "Malo jezero"- Small Lake), as well as for the Benedictine Monastery from the 12th century located on the St Mary's Islet. Walking around the Park and its lakes can be very relaxing and can make you forget everything, so please do not forget to return to the boat for lunch. In the afternoon, our adventure continues, and we cruise towards the island of Šipan and its peaceful fishermen's village, Šipanska Luka. If we are unable to anchor there due to weather conditions or docking capacity limits, we will cruise to Slano, a mainland port. In the evening, enjoy a

Captain's dinner on board. Overnight in Šipanska Luka or in Slano. (B, L, CD)

DAY 7 / SATURDAY: ŠIPAN ISLAND OR SLANO – DUBROVNIK

In the morning, we set sail towards Dubrovnik, our last stop and yet another city listed among UNESCO's World Heritage sites. We will disembark in the port of Gruž, where your coach will wait for you. We head to the Dubrovnik centre for a guided walking tour. After a guided city tour, you will have plenty of free time to explore the rich history of the Old Town or visit some of the famous sights of the "Pearl of Adriatic", like a Cable car ride to Sr Mountaintop or a stroll along the City walls. A coach transfer to the port of Gruž will be organized for you at the scheduled time. Overnight in Dubrovnik. (B, L)****

DAY 8 / SUNDAY: DUBROVNIK

After breakfast, it's time to disembark. (B)

Please Note:

The itinerary schedule, as well as the corresponding services, are subject to changes at the ship's Captain's discretion. In the event of bad weather, the Captain has the right to modify the itinerary to ensure the safety and protection of the passengers. Please note that due to limited capacity at some ports, overnights can be replaced by other ports (e.g., Hvar could be replaced by Stari Grad or Jelsa, Vis could be replaced by Komiža).
